

New

ADVANCED GUARDRAIL PODIUM

New from Astley Hire

The AGR Podium FT5

Provides a working platform
of 0.7m wide x 1.5m Long x
1m Height
(3m Working Height)

The AGR Podium is ideal for the workplace and home that require a steady hand, such as painting the windows, decorating, cleaning the gutters, or just trimming the hedge.

The AGR Podium is easy to assemble and ready to use in minutes.

Ideal for one man use, unfold the unit, fit the board & braced guardrail frames and start work.

Easily portable and manoeuvrable, either open or closed, the unit passes easily through standard doorways.

Both lightweight and robust.

The perfect mobile
access platform...

ASTLEY HIRE

New ADVANCED GUARDRAIL PODIUM

The AGR Podium FT5

Assembly Instructions

Ensure all parts are present and are not damaged before assembling

Kit List

- 1 x Base unit c/w Castors & Ladder
- 2 x Braced Guardrail Frames
- 1 x Plain Platform

1. Open folding frame and engage toggle clamps
2. Extend the ladder using the lock in pins to secure in place.
3. Position platform on the intermediate rung to get a 1m platform level.
4. Always gain access to the platform via the attached ladder.

Step by step guide

1. Open unit from folded position.

2. Secure the base unit using the toggle fastener

3. Fit the platform on the intermediate rung to square the unit.

4. Add the 2 horizontal AGR frames as shown.

5. To extend the ladder out from the frame simply un clip from the bottom rung.

6. To extend the ladder, remove the locking pins and fix into position when extended
