## £25 Gift Voucher Just for Recommending Us

### Do you believe we are good at what we do?

If so, recommend us to a company you know. When they've opened an account and hired from us, we'll send you a **£25 gift voucher or make a £25 donation to Childline.**

Last year, Alan Mitchell of LTB (ICS) Ltd. believed we are good at what we do and recommended us. We sent him a £25 gift voucher as our way of saying thanks

*Alan said, "I have been using Astley Hire for years, and I've always found their service to be 1st class. I have no hesitation in recommending them to other companies."*
