Introduction

Astley Hire is celebrating 50 years as an independent hire company. Over the years we have introduced separate divisions to specialise in tools and equipment for industrial and commercial clients. All our divisions and products listed here are available via a single Astley Hire account.

Please contact us or visit the website to complete an account application.

Discounts

All the listed prices will be subject to account discounts. If you do not yet have an account and require an indication of the discounts, please contact us. In addition to standard discounts we also run a number of special offers throughout the year, check the website or call us for current offers.

With the exception of MEWPs, where daily rates are available one days hire = 0.6 of the weekly rate and 2 days hire = 0.8 of the weekly rate.

Accreditations

Astley hire is accredited to highest standards in the hire industry.
